Commissioner for Patents

The information disclosure statement filed May 15, 2007 fails to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each patent listed that is not in the English language. It has been placed in the application file, but the information referred to therein has not been considered. The references do not have English language translations and their relevance as part of a foreign Office search report is not provided.
